

## Olympic Race

Standing and waiting for the race to begin  
I'm getting quite nervous  
Am I going to win?

Crouching down low, I wait for the gun  
Bang! There it goes  
We're starting to run.

My heart is pounding; I'm going to burst  
Come on legs keep going!  
I want to come first.

Just one last effort, I pass the line  
Am I first, last, where am I?  
What's my time?

I stand on the podium, proud and bold  
I'm wearing my medal  
An Olympic gold!
