

100	200	300	400	500	600	700	800	900
10	20	30	40	50	60	70	80	90
1	2	3	4	5	6	7	8	9

Gattegno Grid

Use this for:

* Counting (point to 10 then 1 say 11, point to 10 then 2 say 12 etc)

* Place value (point to 4, 20 and 500- what number will that make? Can you make it with your place value cards? Can you write it in figures/words? What is the 2 in your number worth?)

* Similar calculations (if $3 + 4$ is 7 then $30 + 40$ must be 70 and $300 + 400$ must be 700 etc.)
