

# Teaching News

Discover the latest education news, links, offers, competitions and more!

## Receive updates by email or RSS

To save you having to visit the website every time a new article is added to Teaching News, you can subscribe using RSS.

That might sound really complicated (unless you're a bit geeky), but it means that you can have Teaching News updates sent directly to you... for FREE!

Find out how to subscribe at [www.teachingnews.co.uk/subscribe](http://www.teachingnews.co.uk/subscribe)

**Teaching News** ([www.teachingnews.co.uk](http://www.teachingnews.co.uk)) is a fantastic place to discover the latest **education news**. The site is updated regularly with **links to useful sites** which you can use in the classroom, as well as information about **free tools** for you to explore.

There are also **special offers and competitions** which give you the chance to grab some cool new resources to use in your lessons. **Take a look!**
