

I pulled the lever and the door opened.

I walked in.

The room was dark. There were a few lights on.

I walked up the stairs.

There were lots of drawers and cupboards.

I opened a drawer. There were papers inside.

I saw Atrus. He said that he wanted my help again.

I had to solve a puzzle. Something went wrong.

Atrus left and told me to fix the power.

I looked out of the window and saw...

I saw Atrus. He said that he wanted my help.

I had to solve a puzzle. Something went wrong.

Atrus left and told me to fix the power.

I pulled a lever.

The elevator opened. I went in.

I pulled the lever. The elevator went down.

I got out and saw...

[Think about the landscape, the buildings, the water,  
the creatures, the lake, the plants...]
