

“Summer”

Do you like summer?
I sure do!
Come to the beach,
I’ll swim with you.
Let’s hunt four seashells
Along the shore.
The beach in summer
Is great to explore!
Bring a spade and a bucket
And give me a hand,
We’ll build a castle
In the sand.
Do you like summer?
I sure do!
Come to the beach
I’ll play with you!
