

How many minibeasts can you name?

What is the smallest minibeast?
What is the largest?

What do minibeasts eat?

Where can you
find minibeasts?

What eats
minibeasts?

How do minibeasts
defend themselves?

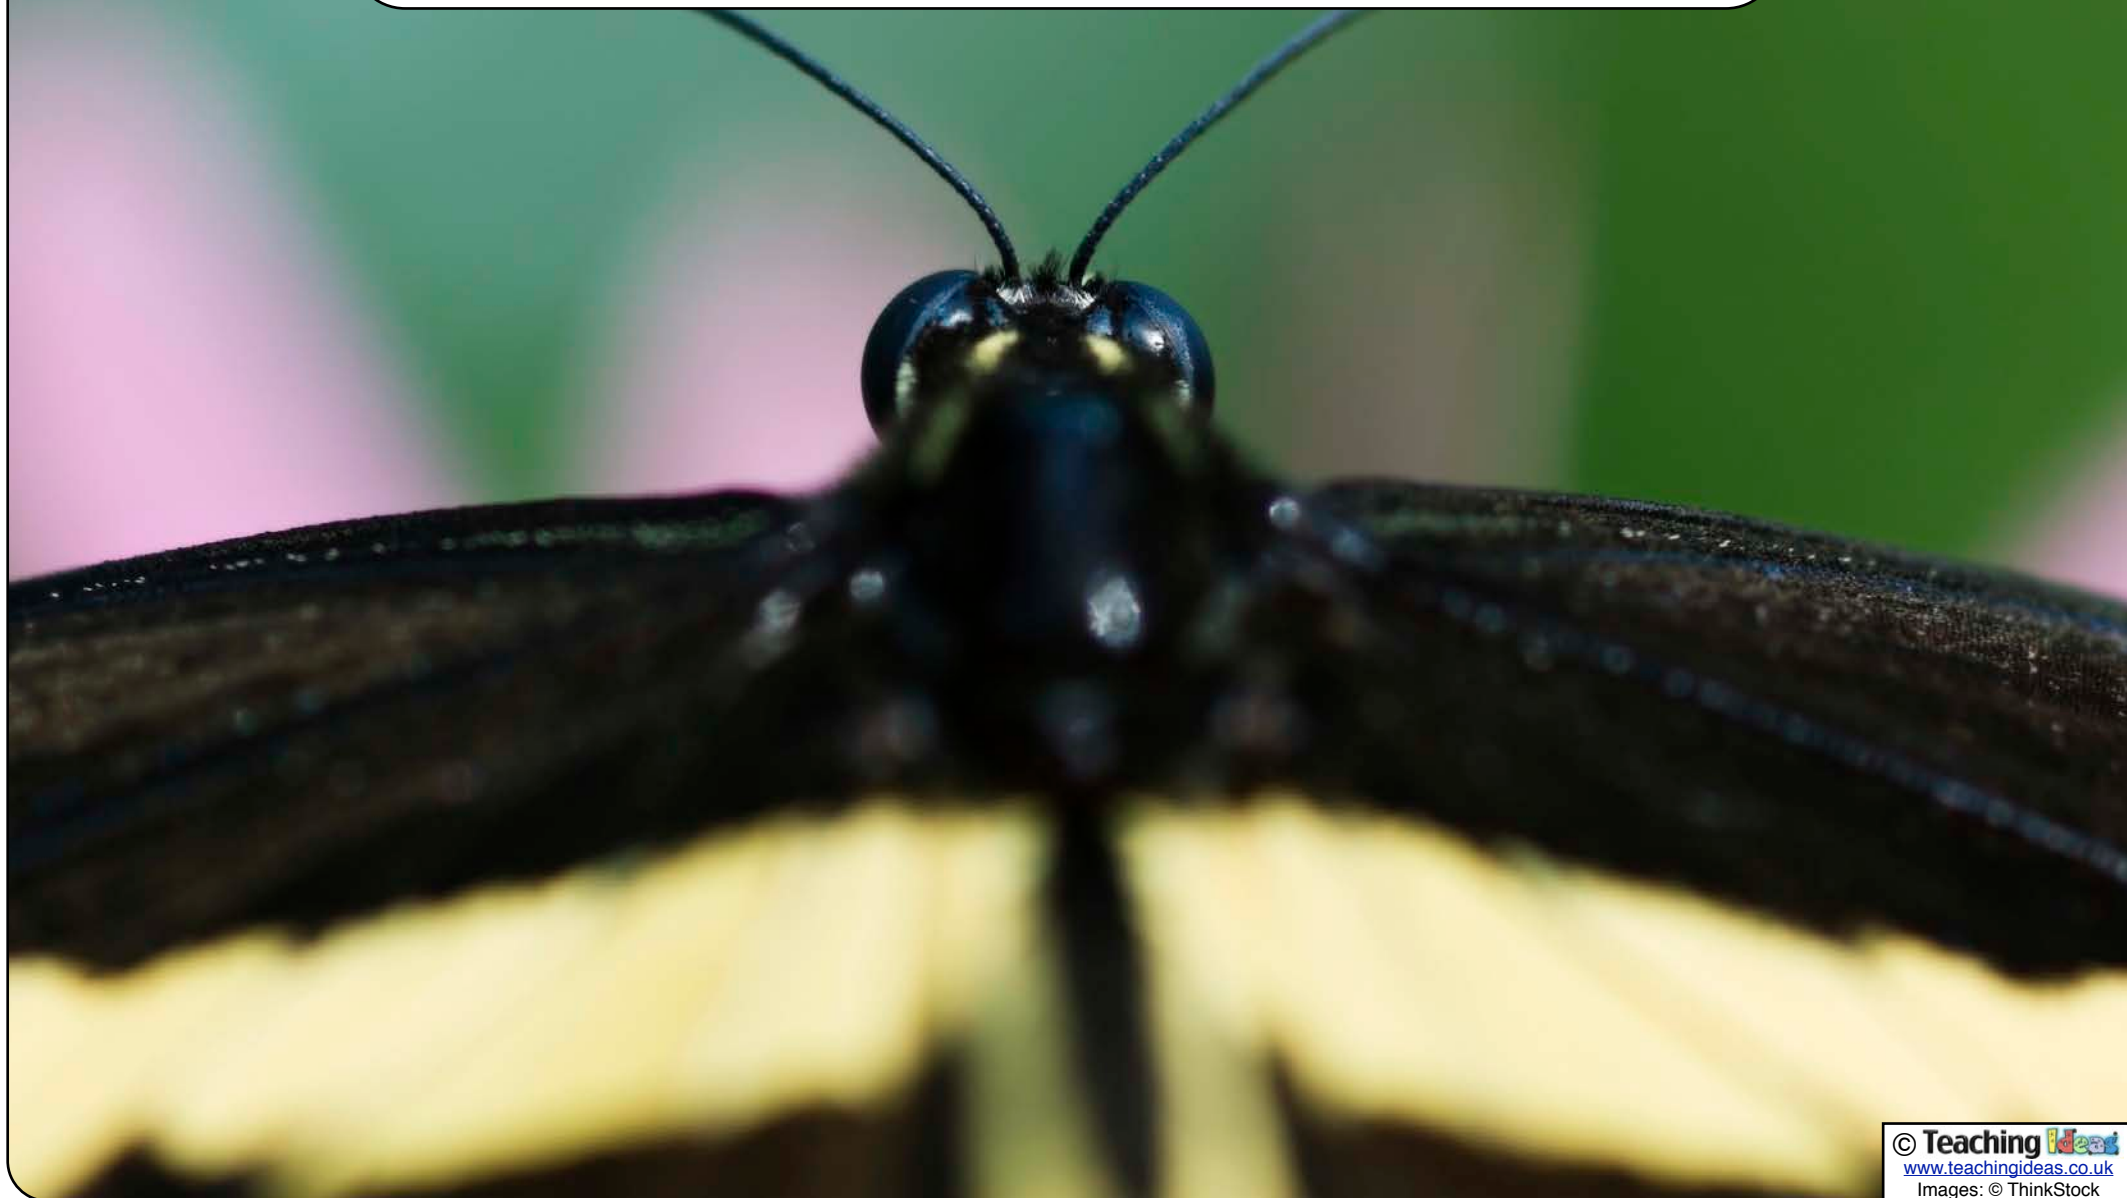

Which minibeasts can be harmful to people?
Which ones are harmless?

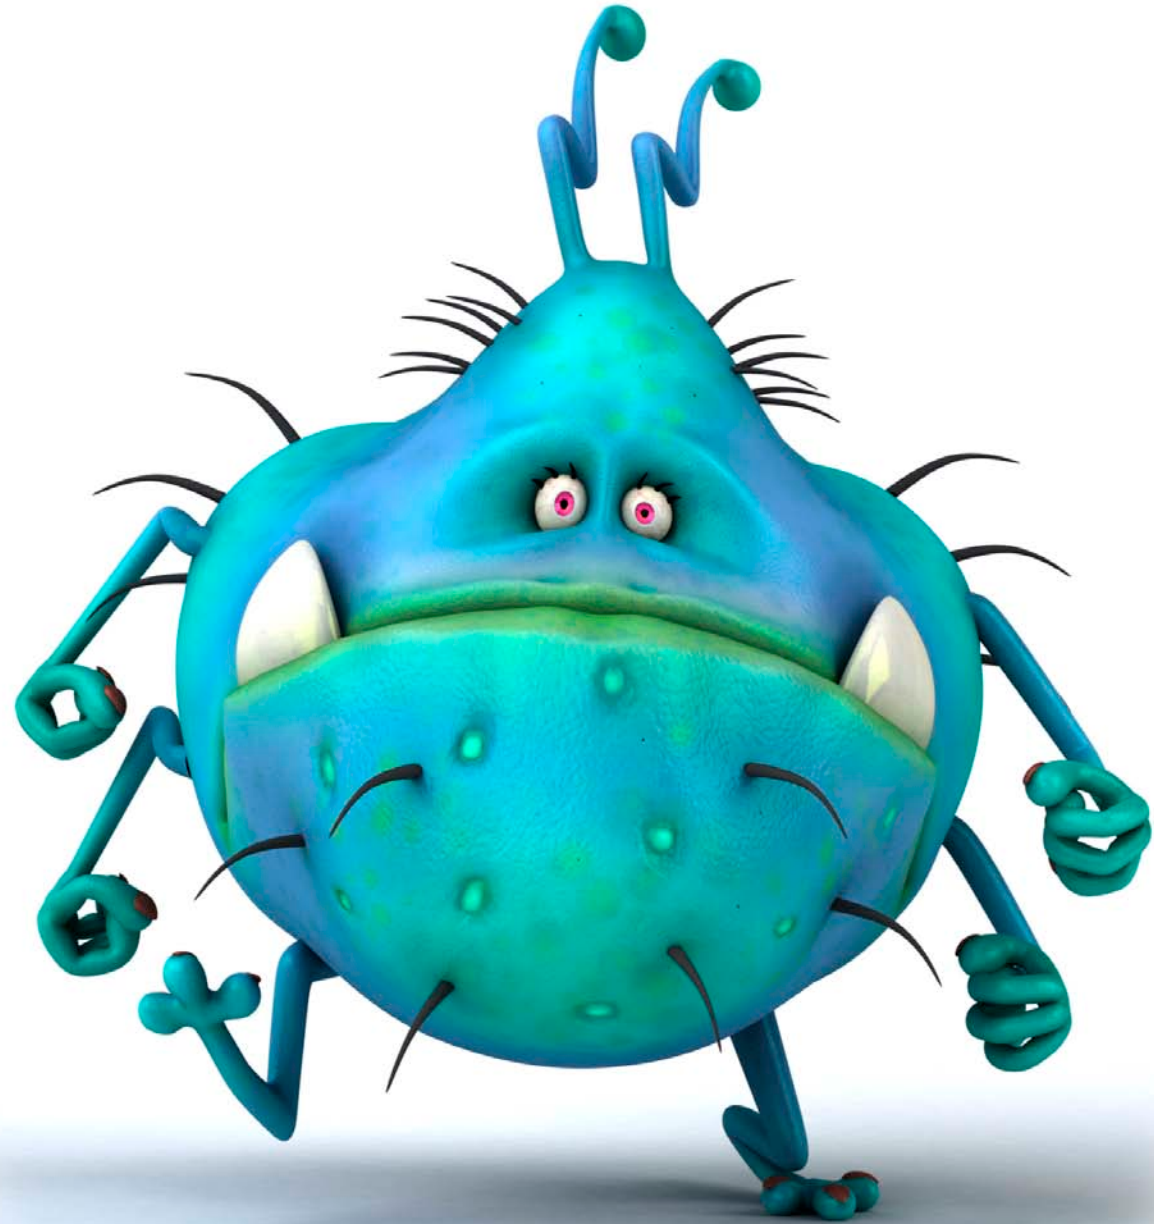

If you could be a
minibeast, which one
would you be? Why?

Can you write a story about a minibeast that became the size of a human?

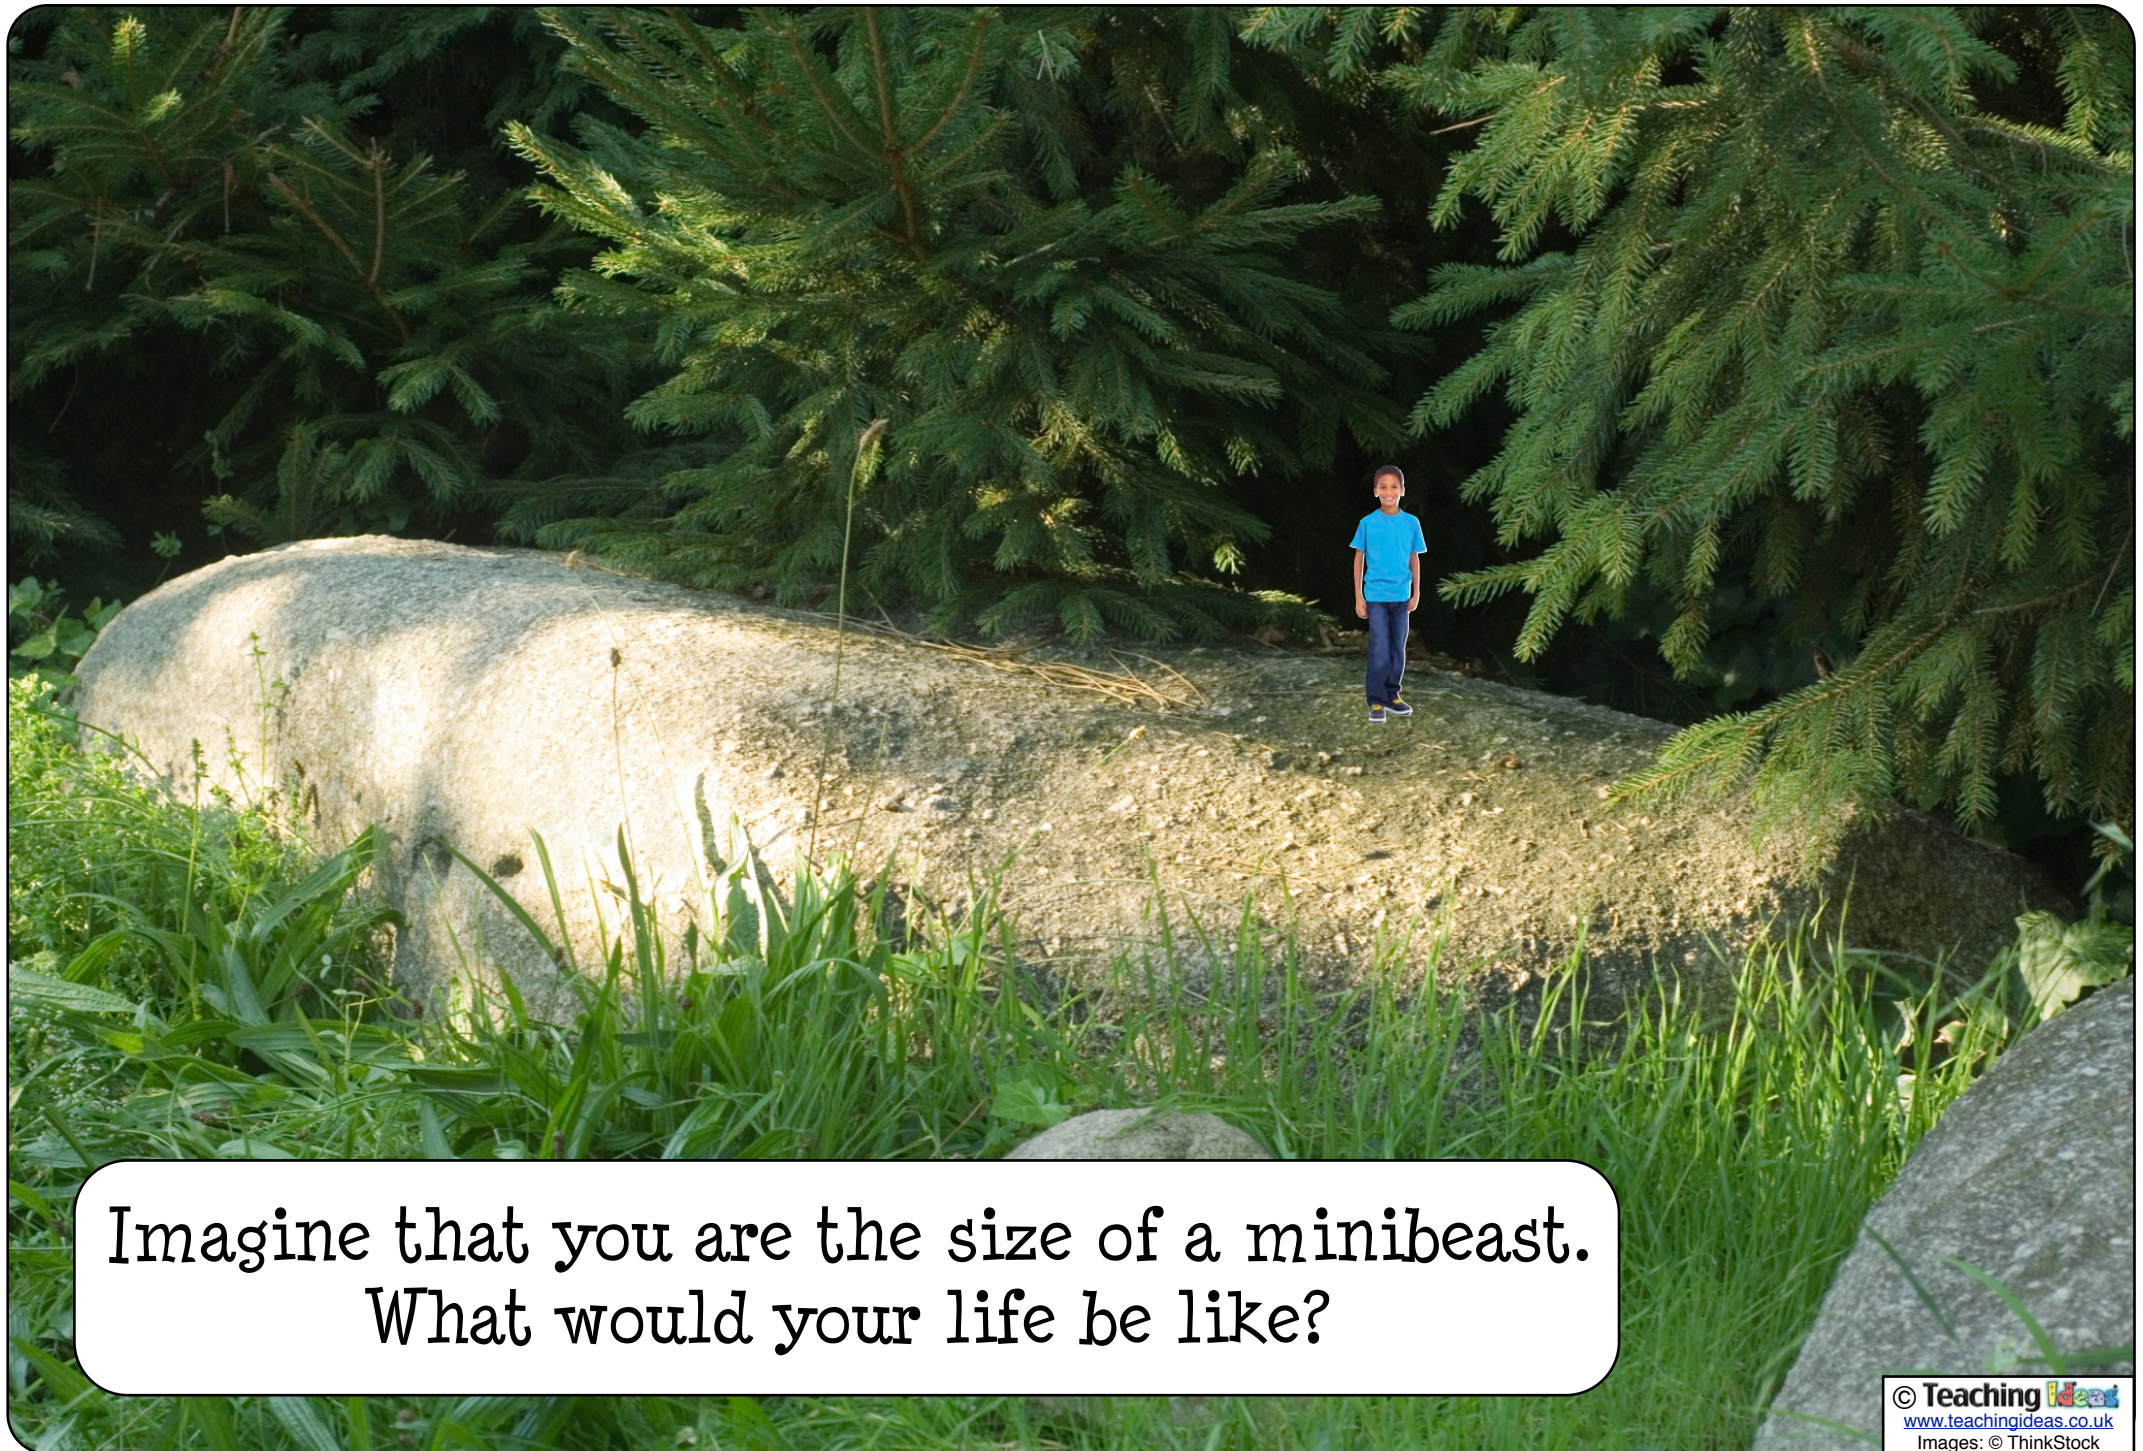

A photograph of a young boy and a young girl looking at a large stag beetle. The boy, on the left, has freckles and is wearing a light blue t-shirt. The girl, on the right, has blonde hair and is wearing a pink top. They are both looking down at a large, dark, shiny stag beetle with prominent antlers, which is resting on the palm of a hand. The background is a solid light blue.

How do
minibeasts
help us?

Could you
imagine a new
minibeast?

Imagine that you are the size of a minibeast.
What would your life be like?

How can we sort minibeasts
into different groups?

Can you think of
some questions
for a quiz about
minibeasts?

Choose a minibeast and think about how it is similar and different to you.
