

Electricity Hunt

Name: _____

Date: _____

There are lots of things in your home that use electricity.

Can you draw or photograph two things that use mains electricity?
(Hint: They plug in to a socket on the wall.)

A large, empty white rectangular box with rounded corners, intended for drawing or photographing items that use mains electricity.A large, empty white rectangular box with rounded corners, intended for drawing or photographing items that use mains electricity.

Can you draw or photograph two things that use batteries?
