

Find the number...

1. ____ The sum of a number and 770 is 917. Find the number.
2. ____ A number decreased by 823 is 998. Find the number.
3. ____ One-fourth of a number is 49. Find the number.
4. ____ A number diminished by 846 is 471. Find the number.
5. ____ Eight hundred sixty-nine less than a number is 650. Find the number.
6. ____ A number diminished by 950 is 413. Find the number.
7. ____ Eight hundred twenty-one more than a number is 1672. What is the number?
8. ____ Nine hundred sixty-nine more than a number is 1223. What is the number?
9. ____ The sum of a number and 825 is 966. Find the number.
10. ____ A number diminished by 937 is 850. Find the number.
11. ____ A number increased by 668 is 1134. Find the number.
12. ____ A number increased by 592 is 967. Find the number.
13. ____ One-fourth of a number is 38. Find the number.
14. ____ Eight hundred seventy less than a number is 840. Find the number.
15. ____ The sum of a number and 774 is 1661. Find the number.
16. ____ Eight hundred seven less than a number is 184. Find the number.
17. ____ Nine hundred twenty-four less than a number is 416. Find the number.
18. ____ One-fourth of a number is 44. Find the number.

1. 147 The sum of a number and 770 is 917. Find the number.
2. 1821 A number decreased by 823 is 998. Find the number.
3. 196 One-fourth of a number is 49. Find the number.
4. 1317 A number diminished by 846 is 471. Find the number.
5. 1519 Eight hundred sixty-nine less than a number is 650. Find the number.
6. 1363 A number diminished by 950 is 413. Find the number.
7. 851 Eight hundred twenty-one more than a number is 1672. What is the number?
8. 254 Nine hundred sixty-nine more than a number is 1223. What is the number?
9. 141 The sum of a number and 825 is 966. Find the number.
10. 1787 A number diminished by 937 is 850. Find the number.
11. 466 A number increased by 668 is 1134. Find the number.
12. 375 A number increased by 592 is 967. Find the number.
13. 152 One-fourth of a number is 38. Find the number.
14. 1710 Eight hundred seventy less than a number is 840. Find the number.
15. 887 The sum of a number and 774 is 1661. Find the number.
16. 991 Eight hundred seven less than a number is 184. Find the number.
17. 1340 Nine hundred twenty-four less than a number is 416. Find the number.
18. 176 One-fourth of a number is 44. Find the number.
