

HEAPERSIX

Here are six numbers in a triangle form, arranged so that each number above the bottom row is the sum of the two numbers upon which it sits.

```

      38
     13 25
    7   6 19
  
```

See if you can place similarly each set of six numbers below:

```

2, 5, 7, 12, 14, 21      3, 7, 10, 11, 14, 24
5, 10, 15, 16, 21, 36   3, 5, 10, 13, 15, 28
3, 6, 9, 14, 20, 29     2, 6, 8, 17, 23, 31
  
```

ANSWERS:

```

      21                24
     14                7    10    14
    12   2    5    7    3    11
  
```

```

      36                28
     15                21    13    15
    10   5    16    3    10    5
  
```

```

      29                31
     9                 20    23    8
    3   6    14    17    6    2
  
```
