

THE ROMAN CALENDAR

Our calendar is based on the Roman one. Like us, they had 365 days in a year, a leap year every four years and twelve months in a year. Here are the names of the Roman months.

Write the English months in the spaces alongside them.

Januarius _____

Februarius _____

Martialis _____

Aprilis _____

Maius _____

Junius _____

Julius _____

Augustus _____

September _____

October _____

November _____

December _____

Can you see which two months were named after famous Roman leaders?

_____ and _____
